Hi Gemma-

I don't know if you can help me with this, but I thought I'd ask. I received a faxed summons from you for the [REDACTED] case scheduled for Feb. 15, 2011, but there is no ADA listed. I also have a Fall River Superior court case that is scheduled to start that day as well as a district court case in Springfield (on call). The ADA in Fall River doesn't think that he will need me until the 16th, so there is a decent chance that I will be around, but I wanted to inform the ADA in Northampton that I may have a conflict. Also, the only lab number listed on the summons is [REDACTED], but our records show that [REDACTED] are also for the same defendant. Am I correct to assume that all three submissions are part of the case? Thanks for all of your help.
